

DAMAGE WAIVER

The undersigned customer ("Customer") hereby unconditionally waives any and all claims for damage that may occur as a result of the trenching of the underground propane line, delivery of propane or propane tanks and cylinders and related equipment by InterState Propane to the Customer's property. This waiver of damage includes, but is not limited to, any claims with regard to underground facilities that are not marked either by the customer or as a part of the applicable State's "Call Before You Dig" service, cracked or otherwise damaged driveways or bridges, as well as all claims for damage to the Customer's lawn, trees or shrubbery. In addition, the Customer explicitly acknowledges and understands that the InterState Propane truck and its delivery hose, as well as the service truck are extremely heavy and that this equipment may need to be driven or parked in places not designed to handle this weight. Notwithstanding that fact, Customer hereby grants permission to InterState Propane to drive or park its vehicle wherever the InterState Propane driver believes it is necessary in order to complete the installation of the tank or cylinder or the propane delivery.

Customer hereby releases InterState Propane from liability for any damage that may occur as a result of the trenching, delivery of propane or propane tanks or cylinders or related equipment by InterState Propane to Customer's real or personal property. As used herein, InterState Propane shall include InterState Propane, its parents, partners, subsidiaries and affiliates, any of their predecessors and successors, and any of their officers, directors, insurers, adjusters and employees.
